Auckley Show 2021

Chairman's Welcome

The Committee and I are delighted to have been able to organise the Show for you this year after the disappointment of its cancellation for 2020.

We look forward to seeing you all at the Show on Saturday Aug 21st

It is wonderful to welcome people of all ages to enjoy the 36th Show on this site. I am sure you will find lots to do, look at and amuse you...and then relax, meet up with friends over a drink and snack and enjoy!!

It is thanks to the generous **donations and support** from local businesses, Auckley Parish Council and Cantley with Branton Parish Council that we are able to stage the Show and maintain our free entry and parking.

Before the Show do have a walk all round Auckley to see how busy people have been making quirky **scarecrows** and fascinating **yarn-bombing** decorations.

On the Friday evening we shall be having our popular **Children's Disco** in the Main Marquee with the Martin Kaye Disco.

There is a full timetable of Saturday's events in this programme, together with a plan of the Showground.

Danum Harriers are organising **The Torne Trample**. Details of how you may be able to take part are on our website

Alongside our usual marquees we are having an open-sided one for an inside/outside area. With tables and chairs this will be the **Children's Entertainment Area**.

The popular main traditions of our Show are **the Horticultural, Baking & Preserves, Crafts, Flower Arranging, Eggs, Photography, Winemaking and Children's Competitions**. Do bring entries along to the Exhibits Marquee from 8.30am to 11am on Show Day. The Marquee is closed for judging until 1pm. Then go along and admire the amazing entries.

Around the field you can see **The Fun Dog Show, The Car Boot Sale, The Craft Marquee and The Raffle/Info Stand.** Trade stands will be there from 10.30am.

Our **Outside Stage** will be showcasing local groups, while in the **Main Marquee** various artists, including Vinny, will be entertaining you throughout the afternoon.

With a bar in the Main Marquee and a small one near the Outside Stage and various food outlets you need not be **thirsty or hungry.**

The Tug O' War, Presentation of Trophies, Raffle Draw and Auction make an exciting traditional climax to the daytime activities on offer.

Our Adults Only **Saturday Night Event** sees entertainment from The Bierkeller Schunklers and Martin Kaye.

We are always looking for more support and help to make wonderful Auckley Show happen. Here's how you could become part of it!!!

- Our 200 Club is still going strong, with a monthly prize of £100. Details are on the website or call 01302 770818.
- Come along to join our friendly, hard-working, welcoming Committee. We have monthly meetings and also really appreciate help over the Show Weekend.
- Please do ask us for details of how you could sponsor or support us in any way
- Let us know of your thoughts and ideas for future Auckley Shows.

See you at the Show!! Enjoy!!

The Auckley Show **FUN DOG SHOW**

The title says it all; this is a dog show where we want everyone to have fun. The dog show has run for several years at Auckley Show, gaining more and more interest and success. This year, for the first time, it takes centre stage and moves to our Main Arena where we hope more of you will join us and take part in the show. Entry is simple, just turn up and register before the judging starts at 12.30pm.

To add more spectacle to this year's event we have invited "Agility at Wagtails" to attend and assist the judging and also to put on a display of their Dog Agility Training.

We asked Jason Smawfield-Huby, from Wagtails, to explain what Dog Agility is.

Dog agility is a dog sport in which a handler and their dog work as a team. The handler directs their dog over a course which is a race against time, accuracy and other competitors. The dogs are free running, the handler cannot touch either dog or the obstacles whilst competing. The handler's controls are limited to voice, movement, and signals.

REUNITING LOST AND STOLEN ANIMALS

Continued.....

An agility course consists of a set of obstacles, jumps, tunnels, weaves and contact equipment. Courses are complicated enough that a dog could not complete them correctly without human direction. In competition, the handler must direct the dog through the course, with precision and speed both equally important.

Dog Agility is an activity that can be done for fun and fitness or at a competition level for you and your dog. The overall aim is to get the fastest time with the least number of faults, but more importantly have fun and

Hope

Khloe

and Jason

make it enjoyable.

Agility at Wagtails is, based in Beverley, East Yorkshire, we teach dog agility right through from foundations up to competing against the top level handlers. Everyone has to start somewhere and no previous dog agility experience is necessary. Basic obedience should be mastered before starting dog agility and regularly maintained throughout your agility journey.

Continued....

I started agility 6 years ago with my first dog Ruby, who went on to compete at grade 7, competing at the Discover Dogs Pairs final twice and having several top 5 places in championship classes. Hope is now in grade 6, and has already qualified for the 2021 Olympia semi finals by winning the first heat of 2020 qualifiers. She is currently in the process of trying out for a position on the GB squad.

Khloe is not quite 2 and is showing very good promise. I also regularly train with top British and international handlers to advance myself in the latest training techniques

Proceeds from the dog show go this year to support our local RSPCA Animal Centre at Bawtry.

Sarah Jenkins of the RSPCA explains why this charity is so important.

Because animals can't speak for themselves

It is our vision to live in a world where all animals are respected and treated with compassion

We believe that all animals should be valued and loved. Through all areas of our work we are striving to continue our mission. By providing excellent care at our centre, establishing a successful rehabilitation and rehoming process, and promoting responsible pet ownership, we are working to encourage a more positive, respectful and compassionate attitude towards all animals amongst the general public.

As an independent branch supporting local animals we receive no funding from National RSPCA and it is only by generating income through our charity shops, sponsorship and fundraising activities can we deliver our service.

Under one shared commitment to helping animals in need our highly skilled team work to deliver the care to the animals and raise the funds to ensure local animals get the life they deserve. The energy and enthusiasm of our dedicated staff, volunteers and supporters make this happen.

You can find the centre at South Yorkshire Animal Centre, Black Firs Farm,

We are always looking for ways to make Auckley Show bigger and better, so back in 2016 we were looking for a fresh new idea to do just that, something that would provide entertainment for

all ages. We had a thought, what about an outdoor stage? So many exciting possibilities! It had been done before but not to great success, so it was time to go all out. We have since created amazing opportunities to showcase local talent, and provide Auckley with some top class music and entertainment, in addition to the amazing goings on elsewhere around the show ground!

THIS YEAR We have some Pop, Rock, Americana, Jazz, even a little bit of Oompah, and much more...

If you want to join us next year, contact Samantha at

promotions@auckleyshow.co.uk

If you want to support us next year, why not sponsor a performance?

So grab yourself a map, find your way to the outdoor stage and have a great time, with performances starting from 12pm. See you there!

We at Danum Harriers running club are very proud and happy to be a part of the annual Auckley show once more, especially after the turmoil of the last 12 months that we've all had to contend with - so it'll be great for us as a club to be able to participate in this fantastic local show and give the attendees of the show a taster of what we do and answer a few questions to boot.

We intend to put on a small running event again called The Torne Trample. This is a 4 mile riverbank fun run starting and finishing in the show itself, and taking in the picturesque River Torne on both banks. The run will be timed and results posted to our website asap.

The club will be bringing a very enthusiastic contingent of Danum Harriers members who will both be running and marshalling the event but also we will also be opening up 20 free places for any participants who fancy joining us on the day as guests of the club.

On top of this every finisher will receive a free memento medal and goody bag, and will be more than welcome to come and see us on a Tuesday or Thursday night of their choice at The Doncaster Dome to take part in a free trial session if they like what they see - and we do hope you do take us up on this.

All we ask is that each participant fills in a membership form before running, purely for safety reasons and to ensure that we count everybody back in again - with absolutely no obligation to join.

All data is kept confidential and will be returned or destroyed as required.

Cheers

Adi.

How Auckley Went To War

Whilst World War II lasted 6 years, all the people all over the country pulled together in more ways than one, none more so than the residents in the Parishes over the country. Auckley did its own bit in this regard by adopting a warship during Warship Week of February 1942. The ship in question was “H.M.S Aire” and I will tell you a little bit about her as well as some photos and extracts from letters I received during my research from some of the sailors who crewed during the war.

“H.M.S Aire” was a river class frigate ordered from Fleming and Ferguson of Paisley on 30th September 1941 under the 1941 Build Programme and laid down on 12th June 1942 as job number 1507 (yard number 597). The ship was launched in 22nd April 1943 as the first RN Ship to bear this name and she had been adopted by the Civil Community of Doncaster Rural District in particular Auckley Parish after a successful Warship Week National Savings campaign in February 1942. Build was completed on 28th July 1943, as shown in the record below; she never received particular mention for convoy defence during her service in the Atlantic. However, this is by no means unusual since, as recorded in post war records, only two out of twenty allied convoys were successfully attacked. Much publicity was given to the losses by U-boat attacks but little was reported about those Atlantic Convoys which arrived without incident. Over 90% of Atlantic convoys had uneventful crossings and their escorts had little opportunity to demonstrate the extent of the rigorous training and their defence capabilities. The contribution made by these unsung ships’ companies to the safe and timely arrival of convoys was still one of the factors which enabled the allied navy to win the battle of the Atlantic. After the end of hostilities in Europe she was deployed in the Far East, but having survived the war she was wrecked in the South China Sea, whilst on passage to return to the UK.

Battle Honours

Atlantic 1943-1945

“Heraldic Data”

No mention is made of an official crest in the admiralty heraldic crest record, but this is by no means unusual for ships entering service during World War 2, exceptions were those carrying a name previously used and for larger warships.

Details of War Service

1943

July 28th Contractors sea trials and commissioned for service build completion and commenced acceptance trials

August On completion of trials and storing took passage to Tobermory

September Passage from Tobermory to join Western approaches command for Atlantic defence on completion of work-up for operational service

October to December Deployed for Atlantic convoy escort in continuations

1944

January to December Atlantic convoy defence in continuation. (Note: Not detached for support of allied landings in Normandy)

1945

January Joined 8th escort group and prepared for service in Arctic with Russian convoys

February Deployed in NW approaches with group but not deployed for escort or support of convoys to and from Kola Inlet

March to April Deployed for convoy defence NW approaches and for coastal convoy defence

May Nominated for service in East Indies fleet after end of hostilities in Europe

June Under refit for convoy defence in Eastern fleet

You can read about the way "H.M.S Aire" was wrecked in a book by Peter Cockett due to be published in 2022.

July Passage to Ceylon

August Joined East Indies escort force after VJ day and not deployed operationally

Post War Notes

"H.M.S. Aire" was transferred to the British Pacific Fleet in late 1945, and after arrival in Hong Kong, she was used as an accommodation ship. Renamed "H.M.S Tamar" in March 1946, she carried out this role until shore accommodation became available in December that year and then reverted to her original name.
